NEWS FROM THE PRESIDENT

Tis the Season!

As the holiday season approaches, we are excited to announce that our Wayne Business Association membership continues to grow! We are at an all-time high and our members are connecting in more ways than ever to promote small business in Wayne! Our WBA Board has conducted numerous ribbon cuttings of a wide range of exciting new businesses in our community – a testament to the benefits of doing business in Wayne!

Notable new business ribbon cuttings include The Vanilla Bean, dtXfy, and At The Table's new location. The WBA is proud to be the welcoming committee for this continued influx of new businesses to our community. We continue to add new members and value to our association and help promote their arrival to town with our brand new Wayne Business Association ribbon!

The WBA is involved in the Radnor Township Comprehensive Plan Steering Committee, which is focused on creating the vision for the future of Radnor Township and downtown Wayne. We are working hand-in-hand with the Township Administration and commissioners to identify and promote initiatives that will help small businesses grow and prosper in our community. We encourage everyone to participate in the community outreach and engagement efforts, so that you can have your voice heard. If there are specific ideas or concerns that you want the WBA to weigh in on, please do not hesitate to reach out directly. We want to make sure everyone has a seat at the table as this process evolves towards a new Comprehensive Plan for the Township. Information can be found at www.Radnor2035.com or on page 8 of this newsletter.

We are ALWAYS looking for new members and ways to expand our business network. Please encourage other local businesses to join our association or attend our monthly networking meetings to find out more about the WBA. These events are extremely well-attended, and FUN! The WBA continues to help connect our members through a variety of events and gatherings.

Christmas in Wayne presented by 7 West is just around the corner and will be held on North Wayne Avenue on Friday, December 1 at 5:30pm, with the annual tree lighting happening at 7:30! This is a great way to support the businesses of downtown Wayne, and will again include activities at the firehouse by Wayne Art Center and Radnor High School strolling carolers. We do have a few new additions to Christmas in Wayne this year, as well. Our Wayne Christmas Trolley sponsored by Meadowbank Designs will welcome riders of all ages as it makes its journey through the neighborhoods near Radnor Middle School. The trolley will board at South Wayne and Runnymede Avenues. If your house is located on our route, please make sure you decorate for everyone to enjoy. The house with the best decorations will win a grand prize basket featuring items from all of your favorite Wayne merchants. We are also excited to have the Wayne Polar Express, sponsored by Sam Giardinelli of Compass, offering rides for our smaller patrons. This is one of the best nights of the year in Wayne – we hope you can join us!

We look forward to seeing you all around the holidays and hope you can join us at one of our upcoming networking events and Christmas in Wayne! As always, if you have ideas, would like to get more involved, or have any questions, please do not hesitate to reach out to me or one of our board members.

Cheers,

Ken Kearns

WAYNE UNITED METHODIST HELPING RADNOR FAMILIES IN NEED THIS HOLIDAY SEASON

As the largest food pantry in Radnor Township, Wayne Cares has been helping 30-70 families on a weekly basis battle food insecurity. They are thankful for the opportunity to serve our community and neighbors in need. **YOU can help too!**

If your Wayne business would be interested, they would love to have a nonperishable food donation box at your business from before Thanksgiving through the New Year! This will allow more community members to donate to their neighbors in need and directly give back to our local community. They will gladly deliver a collection box to your place of business before Thanksgiving. Additionally, if your collection box becomes full at any time and after the New Year, they will conveniently pick up your donations and deliver them to the Wayne Food Pantry.

Interested? Please contact Ali King at 610-533-8084 or alexandriaBking@gmail.com for a donation collection box and for more information.

RADNOR TOWNSHIP COMPREHENSIVE PLAN

RADNOR TOWNSHIP IS UPDATING ITS COMPREHENSIVE PLAN AND IS LOOKING FOR YOU TO PARTICIPATE

A Vision for Radnor 2035

Radnor Township is updating its Comprehensive Plan, titled "A Vision for Radnor 2035." The Comprehensive Plan will define a shared vision for the Township, shaped by the input from the community. The vision will lay the foundation for the strategic goals and actionable recommendations that will provide a roadmap for decision-making and investment prioritization over the next 10 years.

WAYS TO GET INVOLVED

People who want to get involved immediately should visit Radnor2035.com. There, people can find a link to the Virtual Workshop. This interactive survey will allow participants to share their ideas about how to make Radnor Township an even better place. They will be able to identify their priorities for the Township and use an online mapping tool to identify where there are issues that need to be fixed. They can also share their big ideas for what would improve the Township, then read and upvote other responses. The Virtual Workshop will help the Township understand community concerns and prioritize topics for the Plan.

Later in the process, there will be presentations and in-person events where people can learn more about the project and contribute to the development of the Plan. Since it will be a few months before that work begins, the Township is encouraging people to visit Radnor2035.com and sign up for emails.

WHAT IS A COMPREHENSIVE PLAN?

Municipalities are enabled by the Municipalities Planning Code (MPC) to create comprehensive plans to guide growth and development for their jurisdictions. These plans play an important role in guiding the community's future growth, development, and preservation. The plans are legally required to set goals and policies for land use, environment and natural resources, housing, economic development, transportation, housing, historical and archeological resources, and community services economic development. However, municipalities are also permitted to address other issues and topics that are specific to their communities. Most importantly, comprehensive plans serve as the foundation for zoning and play a critical role in the land development process.

WHAT WILL RADNOR TOWNSHIP'S PLAN INCLUDE?

The Comprehensive Plan will update the existing 2003 Plan that is available on the Township's website. Like the previous Plan, A Vision for Radnor will address the following topics and themes, and any additional priorities identified during the engagement process:

- Open Space, Trails & Recreation
- Stormwater Management
- Neighborhood Conservation
- Economic Development
- Community Resources
- Housing Diversity & Affordability
- Mobility & Connectivity
- Institutional Relations
- Historic Preservation
- Environmental Protection & Sustainability

Visit the website
to learn more
about the
Comprehensive
Plan and how to
participate.

At the end of the year-long planning process, FHI Studio and Township staff will present the Plan for adoption by the Board of Commissioners. Once the Plan is adopted, it becomes the official policy of the Township, and implementation of the strategies and action items can begin.

WHO IS DEVELOPING THE PLAN?

Recognizing the importance of a robust and representative engagement to create a community-driven Plan, the Township has contracted FHI Studio to develop the Plan. FHI Studio will collaborate directly with the Township throughout the one-year process. The project will also include the input of a Steering Committee, a group of community representatives that will serve as advisors and ambassadors for the Plan.

Radnor Township
is updating its
Comprehensive Plan!

Take 5 minutes to **participate**
in the **Virtual Workshop** to tell us
your priorities and what will make
Radnor Township even better.
