FROM THE PRESIDENT

Happy Summer!

Since our last printed correspondence, we have had A LOT going on! From our Annual Awards event to our beloved Christmas Tree tradition being continued, from a successful Music Festival to networking in a pleasure garden!

Our Annual Awards evening, one of our most popular events of the year, brought together members new and old, and honored volunteers and community partners that are a representation of what makes us such a special organization.

And, with the replacement of the tree at the Wayne Train Station, the traditions will live on for many Christmases to come. Thank you for the hard work of board member, Reed Taylor and Corporate Partner of the Year, Shreiner Tree Service. We thank Reed for working through all the protocols and partnering with SEPTA and Amtrak and Radnor Township to steward this project through. Keith Martin Electric will make sure the lights shine bright when our Christmas in Wayne happens for years to come. Hope you have had a chance to check it out, we think it looks awfully pretty.

We are about helping our businesses grow and connect and we love seeing people connect in great places around our community. Thank you to our friends at Villanova University for hosting us at the Refectory in May and the team from Chanticleer for opening their beautiful gardens to us for our June Member Meeting. It is such fun to be able to offer these kinds of events to our members.

The weather cooperated and we welcomed thousands to town for the Wayne Music Festival and, in turn, raised thousands for the Music is Love Foundation. Bravo to Ken Kearns and his team for such an amazing event that not only showcased the music but our special town!

We are looking ahead now to our 30th Annual Radnor Fall Festival. All of us here at the WBA are extremely proud to have sustained this event and continue to provide an award-winning experience that is fun for all ages. From the Top Dog Contest to moon bounces, from local vendors to dance and music performances, there is something for everyone to enjoy. Mark your calendars for Sunday, September 18th. And if you are so inclined, consider volunteering a few hours that day to help us out!

See you around town! Happy Summer!

ANNUAL APRIL MEETING AND AWARDS PRESENTATION - APRIL 21, 2022

Thank you to everyone who attended our Annual Meeting! It was so fun to see everyone interacting with each other in the beautiful space provided to us by the Wayne Art Center.

Congratulations to our Ben Wilson Award Winner Joe Maguire of the Radnor Fire Company. The Ben Wilson Award is presented annually to a resident with exemplary volunteer service to the Radnor community. The award comes with \$500 to be donated to the charity of the recipient's choice. Joe decided to graciously donate the earnings to the DMAX Foundation, an organization that focuses on creating connections and conversations that matter to strengthen mental health and emotional well-being for young people. And... you can't make this up - just as Joe was receiving his award, there was a FIRE ALARM, that had some of his guests run for the door to answer the call!

Our second annual award is the Lawrence T. Adelberger award given to a WBA member for exemplary volunteer service for the Wayne Business Association and its membership. The 2022 recipient is WBA board member Reed Taylor. Reed put in countless time this past year to steward the project of getting the new Christmas tree.

The 2022 Corporate Partner of the Year is Shreiner Tree Care. This award is given to a corporate sponsor who has gone above and beyond to support the Wayne Business Association. Shreiner Tree Care supports the WBA consistently through sponsorships every year and most recently worked with WBA to secure and receive permits for the Wayne Christmas Tree, as well as remove the old tree, and plant the new one. They not only support the WBA, but also other community organizations, schools, and the Township. We are ever grateful to Steve and his team for all the support not only in 2022, but over many years. We were happy to have Steve on hand for the pictures below in front of our new Christmas tree (see next page). Steve was the partner in this project and also went out of his way to help bring this to fruition.

Thank you to our outgoing board member, Greg Basile of Keller Williams Devon-Wayne, for his two terms of service to the Wayne Business Association. There is no one more passionate about connecting people in the community than Greg!

WBA president Deanna Doane presents Steve Shreiner of Shreiner Tree Care with the 2022 Corporate Partner of the Year Award.

WBA president Deanna Doane; treasurer and head of the Ben Wilson committee Nelson Dayton; and Doug Felske a past recipient and member of the Radnor Fire Company with 2022 Ben Wilson Award Winner Joe Maguire of the Radnor Fire Company.

Pam McLean-Parker and Nancy Campbell of the Wayne Art Center visit with Scott Reidenbach of Reidenbach and Associates, LLC.

WBA members Michael Homans, Gary Cutler, and John Strohman visit with WBA board member Ken Kearns

Cheryl Tumola, Doug Blazey, Florence Hubert, and Patty Lee. These four folks represent what it truly means to be a volunteer for life.

Officially welcoming board members Laura Tobey and Frank Grabuski.

FRESH NEW CHRISTMAS TREE PLANTED

The WBA worked with Shreiner Tree Care, Radnor Township, SEPTA, and Amtrak to have a fresh new tree planted at the corner of North Wayne Avenue and Station Avenue.

The new Norway Spruce, while only 30' tall currently, will grow for generations to come. The whole area was leveled and completely cleared of brush as well.

Shreiner has also spearheaded this project by securing and receiving permits. However, this project could not be fully completed without Keith Martin Electric, who is providing all new electrical for the area..

WBA Board Members with award recipients Reed Taylor and Steve Shreiner.

HIGH SCHOOL SCHOLARSHIPS AWARDED!

Each year the WBA uses funds from our community sponsors to fund up to three scholarships to local high school graduates. These students work at a Wayne Business and are involved in their community. This year we awarded three \$1,000 scholarships to some impressive local students! Thank you to our interview team, WBA board members Clare Girton and Reed Taylor.

Congratulations to our recipients (L to R): **Lucy Minning**: works at Main Line Print Shop, graduated from Radnor HS, and will attend Hillsdale College in Michigan for track; **Collin Todd**: works at Christopher's A Neighborhood Place, graduated from Conestoga HS, and will attend Virginia Tech; and **Charlotte Borger**: works at Christopher's A Neighborhood Place, graduated from Conestoga HS, and will attend Villanova.

A big thank you to the wonderful team at Chanticleer Garden for hosting our June Member Networking Meeting. No offense to any place else in Wayne, but Chanticleer is the most beautiful location to network in the area! Thank you to executive director Bill Thomas for sharing the story of the garden and bringing his team together to greet everyone and share the gardens with us. EAC PROPOSED PLASTIC BAG ORDINANCE RECEIVES PRELIMINARY APPROVAL

Radnor's Environmental Advisory Committee (EAC) brought forth an ordinance to regulate the use and distribution of single-use plastic bags. A majority of the Board of Commissioners voted to introduce this ordinance which will be *up for adoption in August*.

The essential requirements of the ordinance currently include:

- Each retail establishment will be asked to provide signs by every check-out station informing customers that in six months, single-use plastic bags and non-recyclable paper bags will no longer be permitted
- After a six-month warning period, a store may not provide single-use plastic shopping bags or non-recyclable paper bags
- A retail establishment may provide recyclable paper bags but must charge a minimum of 10 cents per bag. This fee will be retained by the business to help defray the additional cost of paper bags as compared to plastic bags and to discourage customers from relying on paper bags
- Customers will be encouraged to bring or purchase reusable bags
- Exemptions to businesses who might suffer an undue hardship will be available

Should you have input on this please contact Radnor Township. Scan the QR code to the right for more information.

COMPREHENSIVE PLAN

On July 18, the Radnor Township Board of Commissioners selected a consultant, Michael Baker International, to lead the Township through an update of our comprehensive plan and changes to our ordinances to move Radnor forward.

They are truly hoping for robust community engagement process to make this work meaningful and reflective of where we all want our community to go. Should you want to be involved in this process and have commentary about it, please reach out to your commissioner. The commissioner for the Wayne Business Overlay district is Jack Larkin: jlarkin@radnor.org.
